**About Adient:**

Adient is a global leader in automotive seating. With 86,000 employees operating 237 manufacturing/assembly plants in 33 countries worldwide, we produce and deliver automotive seating for all vehicle classes and all major OEMs. From complete seating systems to individual components, our expertise spans every step of the automotive seat making process. Our integrated, in-house skills allow us to take our products from research and design all the way to engineering and manufacturing – and into more than 25 million vehicles every year. For more information on Adient, please visit [adient.com](http://adient.com).
