

## Adient executive biography

### **Tyler Best**

Senior Vice President and Chief Information Officer

Tyler Best is senior vice president and chief information officer for Adient. In this role, he is responsible for leading all aspects of the company's IT organization. Best joined Adient in 2019 as vice president and chief information officer.

His expansive technology leadership career encompasses more than 25 years across diversified global business environments, including manufacturing/supply chain, financial services, transportation and hospitality. Prior to joining Adient, he was executive vice president and chief information officer at Hertz Global Holdings.

Best earned a Bachelor of Science degree in computer science from Michigan State University and a Master of Business Administration degree from the University of Michigan-Dearborn.

Best was recognized by CIO.com for his leadership strengths. He honed his leadership skills as a youth hockey coach throughout his career; nine of the young people he coached are now in the NHL and 50 others received Division 1 scholarships or are playing at the collegiate level.
